

Solution 7. Post SMI within USA-Urine sampling collection and analysis as required by DOT.

For comprehensive details regarding this Solution, please contact ARTION D&A at +30 210 260 1475 or via email at info@artiondna.com

View a brief overview here:

In case of a SMI within the USA waters the vessel is provided with urine sampling collection caps and attestation forms by a SAMSHA recognized laboratory within USA. The urine samples will be collected and forwarded to our affiliated recognized laboratory for further analysis as per DOT requirements.
